Hello,

It has come to our attention that our neighbors are planning on doing a construction project to expand their drive thru. This is concerning to our business due to the fact they already block our fire egress on a daily basis and the plans do not address that issue. Will the fire egress/lane be addressed?

Also it seems there must have been other meetings prior to this meeting but we have not received any notices except for this meeting 8/27/2020. Were other meetings held and if so what was discussed pertaining to Chick Fil A and their expanded drive thru?

Thank You,

Shelly Peters
