To Whom It May Concern,

We are writing in regard to:

Control No.: PLNP2020-00096  
Assessor Parcel No.: 283-0260-017  
Applicant/Owner: Casey and Joan Kelly

This will be a very large project that appears will take several months and a countless number of tradesmen to complete. Although we have no reservations regarding the project itself, we are concerned about the number of vehicles that will be using the private levy road as our property is adjacent to the road and this project will impact our ability to sleep and to enjoy our yard.

We are requesting that construction/deliveries do not commence before 7:00 AM, Monday through Friday, and that no outside work is done on weekends.

Thank you for considering how this project will impact surrounding property owners.
